WiggleWorks kids will decorate the room with the basic party set up, and customers have 15 minutes prior to the party to add any additional decorations.

### What do you do for decorations?

WiggleWorks kids will set up the party room with 10 latex balloons and children's cups, plates, and napkins. You have your choice of colors for balloons and children's place-settings. We do provide white place settings (plates, cups, and napkins) for adults. Decorations and additional balloons available for purchase.

### If less than 16 children attend my party, can we pay less?

Pricing is non-negotiable.

### Can kids come play before the party?

Guests may arrive up to one hour early without being subject to a waitlist. If you arrive over an hour early you may be subject to a waitlist if we are at capacity. In either case please call ahead.

Every child, birthday party guests included, must be under 48" to use the playground equipment. Children over 48" are welcome to attend the party, however, use of the playground is not permitted. We have crafts and small games for older children.
